

FROM THE KITCHEN OF BRAD FRIEDMAN
PRESIDENT, ARTISAN FOODS CATERING, INC.

- FOOD SAFETY IS OUR #1 PRIORITY
- All members of Artisan's culinary team are certified food handlers, and have their temperature taken before entering any kitchen facility with proper masks and gloves.
- School lunches are individually packaged through our contact-free operation.
- All staff who may be in contact with distributing the packages lunches will be certified under proper food handling guidelines for safety.
- Artisan's kitchen facilities have continued to provide food service while operating under strict safety guidelines with safely procured ingredients and equipment.
