

## OCCUPATIONAL THERAPY SCREENING

What is Occupational Therapy? Occupational Therapists work on improving academic skills needed to complete classroom tasks, such as handwriting, attention span, organization, addressing visual perceptual challenges, sensory integration, and fine and gross motor skills.

Occupational Therapy Screenings will take place here at the Temple Beth El campus during the week of September 20th by Pediatric Occupational Therapist Tammi Stein, OT/L, C/NDT, C/HWT-1 of "Grow With Me."

You do not need to be present to have your child participate in the screening. Following the screening, Tammi Stein will follow up with you with specific recommendations for your child. Information obtained during the screening will be discussed with you and your child's lead teacher. If you have any questions regarding the screening procedures, please contact Tammi Stein of "Grow With Me" at 561-251-7487.

If you would like your child to participate in this screening opportunity, the cost is \$10 per child. Please return this completed form to the office BY SEPTEMBER 15th, 2021.

\_\_\_\_\_ I wish for my child to participate in the screening.

Parent(s) Name(s) \_\_\_\_\_

Telephone # \_\_\_\_\_ Email \_\_\_\_\_

Teacher \_\_\_\_\_ Days/Hours child attends school \_\_\_\_\_

Age \_\_\_\_\_ Date of Birth \_\_\_\_\_
