# WELCOME TO OUR SCHOOL!

Beth El Early Learning Center is a place where children thrive in an atmosphere of friendship, curiosity, self-esteem, Jewish values, joy and respect. Our school is an inclusive early childhood program that builds Jewish identity while providing comprehensive and meaningful learning experiences for children and their families in a safe, warm and loving environment. Your Early Learning Center tuition enables us to educate and care for your child in classes with very low student to teacher ratios. Our ratios are significantly lower than state licensing requirements. We believe that our low student to teacher ratios allow for in depth exploration and discovery. Your tuition also includes synagogue membership and all daily specials and enrichments (soccer, yoga, science, gardening, and much more!).
